

Handwritten text in a rectangular box, oriented vertically. The text is written in a cursive script, likely Urdu or Persian, and reads: "کتابت فی سبیل اللہ" (Khat-e-Fayl-e-Sabil-e-Allah).

Handwritten text in a cursive script, likely a form of Arabic or Persian calligraphy, arranged in a single line across the page. The script is dense and fluid, with many loops and flourishes. The text is written on aged, yellowish paper with a red border. The characters are dark, possibly ink, and the overall appearance is that of a historical manuscript or a page from a book.

Handwritten text in a cursive script, likely a form of Arabic or Persian calligraphy, written on aged, yellowed paper. The text is arranged in approximately 15 vertical columns, reading from right to left. The script is dense and fluid, with some characters appearing to be ligatures. The paper shows signs of wear, including a tear on the left edge and some discoloration.

Fragment of text on the left edge of the page, partially cut off.

Handwritten text in Arabic script, likely a manuscript. The text is written in black ink on aged, yellowish paper. A prominent vertical line of red ink runs down the center of the page, possibly indicating a section or a specific line of text. The script is dense and appears to be a form of Arabic calligraphy, possibly Maghrebi or Maghribi. The text is arranged in approximately 15 horizontal lines, with some lines being longer than others. The red ink line is a vertical column of text, possibly a title or a specific line of text, written in a different color (red) to distinguish it from the main body of text. The overall appearance is that of an old, well-preserved manuscript page.

Handwritten text in a cursive script, likely a form of Arabic or Persian calligraphy, written on aged, yellowed paper. The text is arranged in approximately 15 vertical columns, reading from right to left. The script is highly stylized and fluid, characteristic of historical Islamic manuscripts. The paper shows signs of wear, including creases and discoloration.

Handwritten text in a cursive script, likely a form of Chinese calligraphy. The text is arranged in approximately 15 vertical columns, reading from right to left. Several characters are highlighted in red ink, serving as section markers or emphasis. The script is dense and fluid, characteristic of traditional Chinese calligraphy.

Handwritten text in a cursive script, likely a form of Chinese calligraphy. The text is arranged in vertical columns, reading from right to left. The characters are black, with several characters highlighted in red ink. The script is highly stylized and fluid, characteristic of cursive calligraphy. The text appears to be a continuous passage, possibly a poem or a prose piece, given the rhythmic flow of the characters. The red ink highlights specific characters or phrases, which may be key words or markers of structure. The background is a textured, aged paper with some discoloration and faint lines, suggesting it is an old manuscript or document.

Handwritten text in a cursive script, likely a form of Arabic or Persian calligraphy. The text is written in black ink on aged, yellowish paper. Several words or phrases are highlighted in red ink, including 'مؤمنين' (Muminin) and 'الذين' (Alladhin). The text is arranged in a single line across the page.
